

COORDINATOR GUIDELINES GUIDELINES FOR LEVEL-1 (STATE LEVEL)

Space Olympiad Junior (SOJ) Competition invites students from 1 to 8 to submit Literary & Visual art work expressing their creativity and vision. Their submissions are judged by our panel including artists, scientists, teachers, engineers and astronauts. The winning artwork is woven into displays and performance designed to relay the youth artists messages to other young people and artists around the world.

Guidelines for hosting SOJ- Level 1 (State Level) in school

1. **SOJ** Coordinating teacher may organize **LEVEL 1** in school on the date mutually decided by **SOF** and the school.
2. All entries in **CAT-1/CAT-2** should clearly mention name, age, class, school, city in the **A4** size artwork sheets. (format will be mailed to school)
3. Students can submit up to 2 entries restricting one entry in each category.
4. Original idea & neatness in presentation will add to qualifying for the National Level.
5. Student qualifying for the national level will be given a theme to pen their creativity.
6. Artwork by **CAT-1** and **CAT-2** student will be judged separately.
7. School **SOJ** Coordinator must whatsapp clear closeup short video and photograph of students while they are creating level-1 artwork and one group photograph with school **SOJ** coordinator and school logo at back with student holding their **SOJ** level-1 artwork.
